

# The impossible Christmas Quiz – again!

---

There are 100 clues:

**26** are **foods** E.g. *William Tell* might indicate **apple** ;

One answer for each letter of the alphabet

**23** Have the answer of **countries** E.g. The word *window* might indicate **France**

One answer for each letter except Q, X, and Z

**26** Are makes or marques of **cars** E.g. The clue *Marshal Tito* might indicate **Yugo**

One answer for each letter of the alphabet

**25** Are **Towns and cities** two answers for each clue both answers begin with the same letter E.g. *American detective engraved on Mary's heart* might indicate **Colombo and Calais**

25 different letters (no x)

**But...the clues are in random order**

**There are no prizes this time – but if you enjoy the quiz, send me a fiver (Pounds, dollars, Euros, or equivalent!) as a donation to the Anglican Church in the Pas de Calais .Then I'll send you the answers!**
